

**MILKBARN**

**EQuipClean**

Biodegradable and Environmentally-friendly Truck and Tractor Cleaner  
Does not contain EDTA!

## Advanced Foaming Cleaner

**EQuipClean** is an eco-friendly foaming gel-cleaner for efficient removal of road dirt, field-work, salt, and grease on lacquered surfaces, hydraulics, valves etc. Ideal for use on tractors, transport trucks, large equipment, dairy robots, boats, trailers, and pick-up trucks/vehicles. Safe on rubber. Protects vital coatings from corrosion, clear coat safe and leaves an anti-corrosive finish on windows and paint.
